Dear Sir: A2012-59 10/24/11

I understood at the meeting that was held in New Cambria last summer that I would get a letter informing me of the date to appeal or the closing date, I have never got this letter,

Also I very much do not like the idea of leaving my medication (which I order by mail) in a mail box if I am gone for the day, and even if I get a locked mail box with a slot in it, the packages will not fit thru the slot.

Thanks for listening
